Discover the Power of Himalaya Herbals

For centuries, plants and herbs have been used to heal and restore the human body. At Himalaya Herbals, we've harnessed the power of nature to create a range of effective and safe health and beauty products.

The Birth of a Natural Pioneer

Our Roots

Founded in 1930 by M Manal in the Himalayas, our philosophy of exploring Ayurveda to find the power within nature still holds true.

Family-Owned

Since the very beginning, we've been a family-owned business driven by our passion for natural healing remedies.

Research and Development

We've invested heavily in research and development to ensure that we bring you the best in natural and safe products.

Social Responsibility

Our commitment to giving back to society is reflected in our efforts to use sustainable and eco-friendly manufacturing methods and our philanthropic initiatives.

Himalaya Herbals: Asia's Most Loved Herbals Brand

Time-Tested

Safe and Effective

Our products are made using only the best quality natural ingredients and undergo strict quality checks.

Backed by Science

Our products are clinically tested and designed to meet your health and beauty needs.

The Science Behind Our Products

1. Research and Development

We invest heavily in research and development to understand the benefits of herbal ingredients and optimize their use in our products

2. Formulation

Our expert research and development team designs our products with the principle of Ayurveda in mind, to create a range of products that are not only safe but also effective.

3. Clinical Testing

We conduct extensive clinical trials to ensure that our products meet high safety and efficacy standards before they are introduced into the market.

100% Herbal, 100% Safe

Neem

Commonly known as "nature's pharmacy," neem has anti-inflammatory and antifungal properties that make it great for skin issues and minor ailments. It is an essential ingredient in all our products

Turmeric

A powerful antioxidant and anti-inflammatory that helps treat a variety of skin concerns such as dark spots and blemishes. It's available in many Himalaya skincare and healthcare products.

Aloe Vera

A natural antibacterial and antiviral agent that is great for soothing and calming the skin. It's often used in our skincare products to treat sunburns and skin irritation.

The Voices of Our Customers

"Simply Amazing!"

"I've been using the Himalaya Anti-Hair Fall Shampoo and Conditioner for a month now and my hair has never felt healthier or stronger. I'm glad I finally found a product that works!"

"Unbeatable Quality!"

"I can never go back to chemical-laden skincare products after trying the Himalaya Neem Face Wash. It's gentle on my skin and it's the perfect addition to my skincare routine."

"Aloe Good Experience"

"The Himalaya Aloe Vera Face Moisturizing Gel is my go-to product for treating dry and irritated skin. It's lightweight, non-greasy, and works like a charm."
